Ingredients Sweet cherry, High fructose corn syrup, Cherry color (Red #40 & Blue), Natural cherry flavor

Product Description

This product is made from quality graded brined sweet cherries under good manufacturing practices. The process contains infusing and heat processing cherries to quality specifications in an infusion medium made of HFCS, cherry color and flavor.

Subsequently, the cherries are seperated from the infusion syrup, analyzed for quality and passed through a metal detector before packaging and labeling. The product may contain an occasional pit. The product may also contain sulfites.
