

Sulfate Statement

(This statement does not expire and will only be updated if changes are required)

To All Graceland Fruit Customers,

Graceland Fruit, Inc. (GFI) produces all of its products under an identity preserved environment in relationship to any raw materials that are used in its processes. Operating under a strict GMP and HACCP format we evaluate all new and current ingredients to insure this preservation.

Based on these systems we hereby declare that we do not use any sulfating agents in our processes.

If you have any questions contact either your Broker or our Customer Service Department.

Respectfully,

Christopher J. Oberski
