

JOB DESCRIPTION

JOB TITLE: **Production Lead (Main St. 2-X)**
WAGE RANGE: \$16.50 per hour (plus \$2/hour shift premium)
DEPARTMENT: Pack Line – Main St.
REPORTS TO: Production Supervisor

Job Summary:

The person selected for this position will be trained to coordinate on-the-floor production activities in the work area assigned to them by the production supervisor. The primary objective of a Production Lead is to ensure employees in their area work with a high level of accuracy while maintaining safety, quality, and production goals.

Job Duties:

Essential Functions

- Assisting the Production Supervisor in meeting target production, safety, and quality standards.
- The ability to work well with others and to train and mentor production employees.
- Ability to troubleshoot and problem solve production issues.
- Ability to work flexible schedules, including nights, weekends, and holidays.
- Other skills needed or preferred for this position include:

Additional Responsibilities

- Basic understanding and use of a computer.
- Effective written and oral communication skills.
- Leadership skills and a desire to grow to the next level of management.
- Any other duties or directives which the Company, in its sole discretion, deems appropriate.

Physical Requirements:

- Able to use ladders, working on elevated platforms, and working at different elevations.
- Must be able to see/differentiate all primary colors.
- Must be able to lift up to 40 pounds.
