

Infused Dried Fruit is the Best Choice for Your Products

Compared to frozen, freeze-dried, and even fresh, infused dried fruit delivers performance advantages from start to finish, along with delightful flavor, texture, color, and nutrition. Your products will cost less to make, look more appetizing, and taste great!

The Graceland Fruit infused dried fruit difference

- Made from fresh frozen fruit
- Authentically delicious
- Naturally vibrant color
- Visually distinctive
- Naturally nutritious
- Moist chewy texture
- Outstanding piece integrity
- Exceptional flowability

Product profiles for any application

- Organic and conventional
- Unsweetened and naturally sweetened
- Authentic fruit taste and naturally flavored options
- Whole, sliced, and bits
- Precision Cut™ diced, and julienne sliced

Innovation Expertise & Collaboration

- Recipe development
- Product enhancements
- Process improvements
